

# Meatball Feeding Guide

Find your dogs weight below to see how much you should serve every day.  
**If you feed them twice a day, use half for each meal.**

5-9 lbs	10-16 lbs	17-23 lbs	24-31 lbs	32-40 lbs	41-49 lbs	50-58 lbs
3.5-5.5 oz	5.9-8.4 oz	8.8-11 oz	11.4-13.8oz	14.1-16.7 oz	17-19.5 oz	19.8-22.1 oz
7-11 Meatballs	12-17 Meatballs	18-22 Meatballs	23-28 Meatballs	28-34 Meatballs	34-40 Meatballs	40-44 Meatballs
59-68 lbs	69-79 lbs	80-89 lbs	90-101 lbs	102-112 lbs	113-124 lbs	125-135 lbs
22.4-24.9 oz	25.2-27.9 oz	28.1-30.5 oz	30.7-33.5 oz	33.7-36.2 oz	36.4-39.1 oz	39.3-41.6 oz
45-50 Meatballs	51-56 Meatballs	56-61 Meatballs	62-67 Meatballs	68-73 Meatballs	73-78 Meatballs	78-84 Meatballs

 One meatball is equal to about a half ounce of food. Feel free to put the scale away count them out.

**Need some help figuring out the perfect serving amount? Reach out to our customer care team with your dogs weight: [hello@feedfetch.com](mailto:hello@feedfetch.com)**

It's highly likely your dog will want to chow down as soon as they get their first smell of Fetch Meatballs. However, it's best to slowly transition them to their new diet.

We suggest a 7 day transition period. This will allow your dog's stomach to adjust to the new diet. If you notice your dog's poop is runny, stay on that transition stage for an extra 2 days, or until their poop is back to normal.

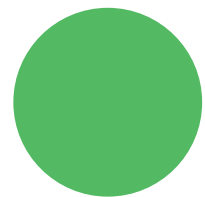

**Day 1-2**  
75% old food  
25% Meatballs

**Day 3-4**  
50% old food  
50% Meatballs

**Day 5-6**  
25% old food  
75% Meatballs

**Day 7**  
100% Meatballs
